

The Horseback Active Tourism

2013 Offer

An adventure holiday

- Being close to the nature
- Unforgettable experience
- Breathtaking views

We have a lot of experience, well qualified staff and reliable horses.

The Horseback Active Tourism in shortcuts...

Because of the upcoming new horse trail, in 2009 a few horse-riding centres could start to cooperate. Using the data collected by the Łódź Horse Trail, the stables set up together The Horseback Active Tourism.

An attractive location of the horse-riding centres gave the opportunity to create links between them and therefore to organize entertaining horse trails.
